Re: U.S. Patent Application for  
SECURE ELECTRONIC COMMERCE TRANSACTIONS  
WITH MULTIPLE MERCHANTS  
Inventor: Mohan Ananda  
Our File No. 81045.944

Dear Mohan:

I have enclosed a draft copy of your patent application entitled "Secure Electronic Commerce Transactions with Multiple Merchants." Please review the patent making sure that it completely and accurately describes your invention. Please make any changes, corrections or additions right on the draft itself.

Please note that, as an inventor, you have a duty to disclose any references of which you are aware that are material to the prosecution of this U. S. patent application. These references may include textbook materials, patents, articles, etc., that relate to the subject matter of the invention. If you are aware of any references of this nature, please let us know.

After your review, please return the patent application to me. When the patent application is in final form, we will forward it to you for signature for filing in the Patent Office.

Very truly yours,

Dear Sang:

I have enclosed a third draft copy of the above-referenced patent application. The changes to the application are underlined. Please review the patent application, making sure that it completely and accurately describes the invention. We have included additional description about the centralized web browser (renamed the data processing engine). Please make any changes, corrections or additions right on the draft itself.

Please note that you have a duty to disclose any references of which you are aware that are material to the prosecution of this U. S. patent application. These references may include textbook materials, patents, articles, etc., that relate to the subject matter of the invention. If you are aware of any references of this nature, please let us know.

After your review, please have the application reviewed by the inventor and return the patent application to us. When the patent application is in final form, we will forward it to the inventor for signature for filing in the Patent Office.

Dear Mohan:

I have enclosed a fourth draft copy of the above-referenced patent application. Changes made to the application since the last draft are underlined. Please review the patent application, making sure that it completely and accurately describes the invention. Please make any changes, corrections or additions right on the draft itself. After your review, please return the patent application to us.

Also, please note that Seth Weisberg has instructed us to file the application with the patent office if we do not receive any comments by July 14, 2000. Therefore, unless you have any changes we will file the application on July 14, 2000. Once the application is filed, we will forward the appropriate documents to you for signature.

Thanks, Mohan.
